Some of these engines are interchangeable and with only a few changes. However the NEW version of this longblock engine is available only for 1987 and up big block Marine Engines.

1993 Mercruiser 454 Engine Identification | PerfProTech.com

Crusader's engines aren't widely used for race boat engine conversions like its competitors engines are, probably because Crusader doesn't get involved with the racing crowd. But it is interesting to note that when its competitor's engines are used by the race engine builders, they always add stabilizers to the main bearing caps.
