Feminist effects on society - Wikipedia

Political Philosophy: Methodology. Political philosophy begins with the question: what ought to be a person’s relationship to society? The subject seeks the application of ethical concepts to the social sphere and thus deals with the variety of forms of government and social existence that people could live in – and in so doing, it also provides a standard by which to analyze and judge ...

Feminist Aesthetics (Stanford Encyclopedia of Philosophy)

1. Historical Context and Developments. Current feminist political philosophy is indebted to the work of earlier generations of feminist scholarship and activism, including the first wave of feminism in the English-speaking world, which took place from the 1840s to the 1920s and focused on improving the political, educational, and economic system primarily for middle-class women.

Feminist Political Philosophy (Stanford Encyclopedia of ...

Feminist science fiction is a subgenre of science fiction (abbreviated "SF") focused on theories that include feminist themes including but not limited to gender inequality, sexuality, race, economics, and reproduction. Feminist SF is political because of its tendency to critique the dominant culture.

Feminist science fiction - Wikipedia

Feminist criticisms of men's contributions to child care and domestic labor in the Western middle class are typically centered on the idea that it is unfair for women to be expected to perform more than half of a household's domestic work and child care when both members of the relationship also work outside the home.
