A Contest For Supremacy China

Because China probably will be able to contest all domains of conflict across the broad swath of the region by the mid-2030s, the U.S. Army, as part of the joint force, will need to be able to respond immediately to crises or contingencies at various points of contention. To be inside the wire at the outset of a crisis or conflict will require ...

And who can forget, in 2017 China made a big show of cancelling more than 100 coal plants. But in 2018, China was caught secretly building those same coal plants instead. Since China lies, all these promises in the lead up to Glasgow are just the breadcrumb trail to CCP trade-war supremacy that China is hoping the West will suck up obediently.

This month China has spray painted on its green tan, just ...

Female supremacy is the notion that women are superior to men and that they should be the “ruling gender” so to speak and that men should take some kind of second place and answer to them. If a society is built with this as a core value, we might call it a matriarchy. In this article I want to analyze this belief, look into why it is such a common ideology and finish up on why particularly
