Concrete: Rebar or Fiberglass? - CR4 Discussion Thread

Silk exudes elegance and sophistication by its shine and opulence. It has several attributes which set it above other fibers. Silk is both softer than human hair but as strong as wire. It is resistant to dust and moths. Silk has been used for thousands of years dating back to Indus Valley Civilization which was present around 2500 BCE.

The origins of Australian Motor Industries can be traced back to 1926 when J.F. Crosby decided to invest in Eclipse Motors Pty Ltd of Melbourne. In 1929 the company secured the Victorian agency for Standard Motor Company's cars, then changed the company name to Talbot and Standard Motors, and began a steady period of expansion with the Standard marque through the 1930s.
