A History of Knowledge by Charles Van Doren: 9780345373168 ...

If you were born yesterday, with no knowledge of the past, you might easily accept whatever the government tells you. But knowing a bit of history--while it would not absolutely prove the government was lying in a given instance--might make you skeptical, lead you to ask questions, make it more likely that you would find out the truth.

9780345373168: A History of Knowledge: Past, Present, and ...

The history of knowledge further intersects with a number of other fields including the sociology of knowledge and certain streams of anthropology. [End Page 182] The key point that Burke drives home is that there is no history of knowledge, only histories of knowledges.

A History of Knowledge: Past, Present and Future: Charles ...

A History of Knowledge also reveals how the past always impinges on the present and the future. And the explosion of new knowledge that marks our own time and beyond is discussed in fascinating detail. The author raises and answers the question: What can the past teach us about the future?

A History of Knowledge: Past, Present, and Future. Charles ...

He considers the history of knowledge of the West as equivalent to 'everything mankind has ever thought'. This is a classic example of the west's arrogance and ignorance. It's like as if the rest of the world didn't even exist because of course they were all savages waiting for the white man to shower them with his knowledge and superior skills.
