Amazon.com: Administrative Behavior: A Study of Decision ...

Simon's administrative behavior theory has been widely heralded by the academic world. He abandons the traditional theory as so many proverbs and sets forth a new active method to analyze the complex aspects of organization behavior. His emphasis is on individual spontaneous behavior and the "exist and effect" of the informal organization.

Administrative Behavior by Herbert A. Simon

In Herbert A. Simon " In his influential book Administrative Behavior (1947), Simon sought to replace the highly simplified classical approach to economic modeling—based on a concept of the single decision-making, profit-maximizing entrepreneur—with an approach that recognized multiple factors that contribute to decision making. According to Simon, this theoretical framework provides a ...

(PDF) Herbert A. Simon: Administrative Behavior: How ...

In Administrative Behavior, Herbert Simon proposed a science of administration where organizational decisions represent the primary units of analysis. In constructing a conceptual framework to guide that science, Simon drew heavily on insights from cognitive psychology. Since its publication in 1947, Administrative Behaviorhas inspired researchers investigating institutional and organizational ...
