The primary purpose of descriptive writing is to describe a person, place or thing in such a way that a picture is formed in the reader's mind. Capturing an event through descriptive writing involves paying close attention to the details by using all of your five senses. Teaching students to write more descriptively will improve their writing by making it more interesting and engaging to read.

Sometimes, writing feels like you're climbing up a hill. A slippery, muddy hill. During a rainstorm. Even when the words are there, it can be tough to get the feeling onto the page. You might have listed the events you're covering and presented all the facts clearly and logically, but when your writing doesn't feel engaging, something's missing.
