Animal Farm Introduction | Shmoop

Animal Farm is a political allegory written by George Orwell in 1945. It is a satirical novel that depicts a group of farm animals who overthrow their human owner and establish a society of their own. The story is set on a farm in England and is a critique of the Russian Revolution and the rise of the Soviet Union. The novel is a classic of 20th-century literature and is widely read in schools and universities.
