Step 1: Create your family group. If you already have a family group, move to step 2. If you don't, please follow these instructions to create one.; Step 2: Purchase the best option (below) for your family.

Science - National Geographic

While Earth is only the fifth largest planet in the solar system, it is the only world in our solar system with liquid water on the surface. Just slightly larger than nearby Venus, Earth is the biggest of the four planets closest to the Sun, all of which are made of rock and metal. The name Earth is at least 1,000 years old.
