oregon coast for sale "brookings" - **craigslist**
This computer is: 1) A consumer electronic device. That means it is not perfect and will require updates. 2) A fancy bike computer. No 2 ways about that! It isn't the top of the line Garmin, but it is much more than a speedometer. I don't have any bad details to report, so I will move on to the good: 1) Very good battery life.
