Even with a large number of emerging new service stations, not every motorist can pay an expensive repair of his car. Some motorists basically do car repairs with ...

Auto Body Repair Manuals

See, for a long time I was pushing online repair manuals from Alldata and Mitchell1. I made some money, and in all fairness, they have a great product. The online manuals gave excellent repair information, had the exploded views and wiring diagrams that I needed to fix my car plus kept me up to date on recalls and TSB information.

The 3rd generation of the VW Golf brought modern styling, a new diesel engine, and three new body styles to eager fans worldwide. Overall the dimensions grew again, though the wheelbase remained the same. Safety became a focus, which led to the creation of the first-ever Golf to feature front-airbags.
