### AXIS P1445-LE Network Camera - Product support | Axis ...

Axis offers product firmware management according to the active track or the long-term support (LTS) tracks. Regardless of the track chosen, it is recommended to upgrade the firmware regularly in order to get the latest security updates. The firmware can be upgraded using AXIS Device Manager, AXIS Camera Station, AXIS Companion, HTTP or FTP.

### AXIS OS Portal User manual

Two things that make the G85 particularly stand out as a sports video camera is its stabilization and rugged enclosure. Panasonic added an in-body gyro sensor to provide 5-axis body stabilization that reduces camera shake. The weather sealed splashproof and dustproof body mean it can withstand the elements when filming outdoors.
