STL Units: The default unit is millimeters. You can change the units to centimeters, feet, or inches by selecting an option from the drop-down list. Exporting a SketchUp model as an STL File. To export a SketchUp model to an STL file, first make sure that your model meets the basic recommendations for 3D printing. Then follow these steps:

Importing and Exporting STL Files for 3D Printing - SketchUp

Literature circles are a strong classroom strategy because of the way that they couple collaborative learning with student-centered inquiry. As they conclude their description of the use of literature circles in a bilingual classroom, Peralta-Nash and Dutch explain the ways that the strategy helped students become stronger readers:
