Navistar International - Wikipedia

I have 2000 Isaca, 30 foot Class A motor home with a high mileage engine, will the ECM performance reprogramming, short the life of my engine? At this point the engine run well, with no code problems. I pull a 5000# trailer most of the time, it really bogs down on hills. At what RPM is the ECM tuned for maximum performance.

C9 Caterpillar Engine Problems

Sometimes getting detailed engine information is difficult, even for experienced parts resellers...We occasionally service Caterpillar engines that are so old that it is difficult to get parts information from on-line resources...It is really helpful that we can rely on our longtime aftermarket suppliers to provide that information, such as parts and applications data via thePDNet database ...
