Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules.

RPA Section 4 - Residential Purchase Agreement

Real estate contingencies typically fall under three major categories: appraisal, home inspection and mortgage approval. Think of these contingencies as a buyer's and seller's safety net. If a home does not appraise at a certain value, if an inspection reveals a major problem, or if the buyer cannot obtain adequate financing, the parties can back out of the contract without penalty.

December 2015: C.A.R. to Release Revised Forms in December

Robotic process automation (RPA) follows rules to automate work that has no variation. When you log into your email account, you enter a username and password the same way every time. RPA is great for these types of repetitive tasks, which often string together to form a simple business process: log in, click a box, move a file from Point A to Point B, log out.
