infrastructure), this period resulted in “the growth of a more assertive Arab nationalism” (144).

Carbon Democracy: Political Power in the Age of Oil ...

“Carbon Democracy is a sweeping overview of the relationship between fossil fuels and political institutions from the industrial revolution to the Arab Spring, which adds layers of depth and complexity to the accounts of how resource wealth and economic development are linked.”

Verso

Democratic politics developed, thanks to oil, with a peculiar orientation towards the future: the future was a limitless horizon of growth. The horizon was not some natural reflection of a time of plenty. It was the result of a particular way of organizing expert knowledge and its objects, in terms of a novel world called 'the economy'.

Where To Download Carbon Democracy Political Power In The Age Of Oil Timothy Mitchell

Carbon Democracy: Political Power in the Age of Oil ...

Carbon Democracy: Political Power in the Age of Oil. Oil is a curse, it is often said, that condemns the countries producing it to an existence defined by war, corruption and enormous inequality. Carbon Democracy tells a more complex story, arguing that no nation escapes the political consequences of our collective dependence on oil.
