Ducati Monster 696 - Wikipedia

Turn it on, check engine light stays on, turn it off, check engine stays off, push ignition and drive away and it sounds fine. Two other things. I feel a slight more vibration in the foot controls, and I notice that when I'm parked if I rev the engine slightly the head light gets slightly brighter than dims slightly when I get off the throttle.

Check Engine Light | Ducati.org forum

PDF Ducati Monster 696 Check Engine Light online entry to it is set as public so you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency time to download any of our books taking into consideration this one. Merely said, the ducati monster 696 check engine light is universally compatible

Ducati Monster 696 Check Engine

I don't have a 696 but the exact same thing happened on my '08 S4RS. I was hovering right around 600 miles and I had intermitten check engine light sightings. The dealer said they couldn't do anything about it because when I took it in a week later for the 600 mile service it was fine. Brian
