...

Does anyone know what the recommendation is for Automatic Transmission Fluid for a 2002 325i? Do I have an alternative other than buying the BMW ATF from the dealer? Mike Miller's Old School Maintenance schedule makes it seem like Redline is recommended for Manual, but not the automatic. My independent shop recommended BG synthetic ATF.

## **BMW DIY - Manual Transmission and Differential Fluid ...**

Your manual transmission can take a heck of a beating over the years and it is one of the most neglected service areas on a car. The fluid assists in the lubrication and heat disputation of the transmission, and even though it is in a closed environment, the fluid can become old and contaminated.
