Gaggia Classic Disassembly and Cleaning | [protofusion]

The Gaggia machine is now ready to be used. NOTE: It may happen that the self-priming feature of the pump fails to work temporarily due to an air lock. In this case water does not flow from brewing head (14), and the following procedure should be followed: a) Place a small frothing pitcher or mug under the steam nozzle (8).

Gaggia Classic Manuals - Gaggia North America

The Gaggia Classic is a manual espresso machine. Manual machines require a little more work from the user, but they usually offer better quality because the user can control the brewing time. Brewing time often varies by cup of espresso, so manual machines are useful in making sure that each espresso is made well.
