When I used this book Heat transfer was a new subject to me. I had taken a mass transfer class before, and a lot of the principles are similar to mass transfer. I thought the book taught heat transfer very well. The reason i am giving the book 4 stars is because the practice problems and examples are too simple.

Heat Transfer 9th Edition J

As one of the most popular heat transfer texts, Jack Holman's Heat Transfer is noted for its clarity, accessible approach, and inclusion of many examples and problem sets. The new tenth edition retains the straight-forward, to-the-point writing style while covering both analytical and empirical approaches to the subject.
