### **Henry's Demons: Living with Schizophrenia, A Father and ...**

"A living, breathing book... Henry's Demons is a probing tour through the glories (and occasional idiocies) of the British health care system, through the history of schizophrenia and through the often barbarous ways patients have been treated. It's a tour, too, through the psyches of two bright people watching their son unravel, the stitching pulled from his mind like wool from the bottom of a sweater.
