The Polaroid OneStep was an inexpensive fixed focus camera. This became the best-selling camera out of instant and conventional cameras in the United States. <http://www.polaroid.com/history>

### **Polaroid**

An ad executive once said that Polaroid was the easiest sell imaginable because “all you have to do is show the product.” He was overstating the case, but he had a point. Edwin Land’s great knack for demonstration, twinned with the party-trick nature of the instant camera, was always the best way to get people excited about Polaroid.

### **Instant The Story Of Polaroid**

From the Author. INSTANT: THE STORY OF POLAROID is a book about a very unusual company. In the 1960s and 1970s, Polaroid was what Apple is today: the coolest technology company on earth, the one with irresistible products, the one whose stock kept climbing way past the point of logic. In its heyday, Polaroid was an absolute innovation machine--a...
