If there's one thing driving in Chicago is known for, it's the rush hour traffic. Driving downtown in rush hour often comes with a competitive spirit from fellow drivers, eager to make that light and honk their horn. Many drivers weave between traffic at a moment's notice, so be on guard as you drive.

Why Is It Hard to Shift My Automatic Transmission Out of

...

Gosh, out of all of California I am interested in why you chose LA. I was there three weeks ago to meet up with a daughter and stayed in a hotel near Hollywood/Highland. So, I saw all the foot and handprints outside of Graumann's Chinese theatre, and the Hollywood Walk of Fame, which is simply names in a concrete sidewalk. Big deal.

...

Last Updated on August 19, 2019. With a little planning it's easy to drive on the left side of the road. On our around-the-world journey we spent more time driving on the left side of the road than we did on the right; doing so in Ireland, the UK, Australia, New Zealand and Africa.

6 Things You Need To Know About Driving in Chicago

The weight of the vehicle rolling onto the parking pawl makes it harder to shift out of Park. To avoid this, engage the parking brake when on an incline before shifting into Park or releasing the brake pedal. That way the parking brake, not the transmission pawl, bears the load and will allow you to shift freely.
