eBooks Habit promises to feed your free eBooks addiction with multiple posts every day that summarizes the free kindle books available. The free Kindle book listings include a full description of the book as well as a photo of the cover.

C Programming Language 2nd edition | Rent 9780131103627 ...

Sadly, Dennis Ritchie, the creator of C and the coauthor of this book, died in October 2011 at the age of 70 and never saw this digital edition. Dennis was a great language designer and programmer, and a superb writer, but he was also funny, warm, and exceptionally kind. We are all in his debt. He will be greatly missed. Brian Kernighan

C Answer Book - Altvista

The C Programming Language (sometimes termed K&R, after its authors' initials) is a computer programming book written by Brian Kernighan and Dennis Ritchie, the latter of whom originally designed and implemented the language, as well as co-designed the Unix operating system with which development of the language was closely intertwined. The book was central to the development and ...
