The Horn Book
Magazine and The Horn
Book Guide are the
most distinguished
journals in the field of
children's and young
adult literature and the
core of our company.

Founded in 1924 by Bertha Mahony to herald the best in children's literature, more than eighty-five years later, we are still following her lead.

#### School Library Journal

Library Journal is an American trade publication for librarians. It was founded in 1876 by Melvil Dewey (familiar as the inventor of the Page 1620

Dewey decimal system). It reports news about the library world, emphasizing public libraries, and offers feature articles about aspects of professional practice. It also reviews library-related materials and equipment.

Reviews - School Library Journal In the 140 years since it was created, Library Journal has been Page 17/20

inspired by the belief that libraries transform lives, at every stage of life.. We were there to help libraries in the United States begin organizing as a profession, and as the national and global network of libraries took their place in town squares, campus centers, and schools.

Amazon.com: Library Journal Book Review: 1977 ...

Specific guidelines for various formats and types of materials are provided below. Any publisher of a book reviewed in Booklist will receive a tearsheet of the review. Due to the volume of submissions (more than 80,000 per year), we are unable to notify publishers whose books have not been selected for review.

Library Journal

For over 100 years, Booklist magazine, the book review journal of the American Library Association, has been librarians' leading choice for reviews of the latest books and (more recently) electronic media. Learn more today.
