Management Control Systems: A Review. By means of a systematic review (Tranfield et al. in Br. J. Manag. 14: 207-222, 2003), a comprehensive analysis that encompasses both textbook approaches and research papers is provided. As a result, this article presents a landscape of possible MCS understandings.

Management Control Systems: Robert N. Anthony ...

A Management Control System (MCS) is a system. A system can be described as a series of steps or phases consisting of an input phase, a processing phase, and an output phase. A control system adds measurement, analysis and reporting phases to the system. Accounting methods are often implemented and evaluated as part of a management control system.
