## **Math Curse book by Jon Scieszka - Thriftbooks**

Math Curse is a children's picture book written by Jon Scieszka and illustrated by Lane Smith, suitable for ages six through ninety-nine years. Published in 1995 through Viking Press , the book tells the story of a student who is cursed by the way mathematics works in everyday life.

## **Math Curse Jon Scieszka**

Bold in design and often bizarre in expression, Smith's paintings clearly express the child's feelings of bemusement, frustration, and panic as well as her eventual joy when she overcomes the math curse. Scieszka and Smith triumph, too, at the top of their class as artists and entertainers, their distinctive voice and original vision creating a child-centered, witty picture book about the woes of math anxiety.

## **Math Curse by Jon Scieszka: 9780670861941 ...**

Math Curse by Jon Scieszka, Lane Smith (1995) This book is perfect for elementary---perhaps middle school---math teachers. I bought it to read to other math teachers at in-service workshops. It adds a touch of humor to the day. Teachers will love it as much as students! Perfect for older elementary scholars!
