Bought a 04 KW T800 with a meritor 12 speed freedom shift this summer and used it all fall pulling 1000 bushel hopper. My only complaints are that it always starts in 3rd gear unless you shift (paddle) it down to first and it is maybe a little jumpy at the bins to back up over the swing away auger. I have 2 neighbors within a mile that have a ...

We have an Arvin Meritor Freedomline 12 speed and like it. It seems that, regardless of brand, the newer the auto-shift transmission is, the less clunky and more responsive it is. There have been a couple times when the transmission will only operate in manual mode. That happens when a sensor or wire goes bad.
