Prego Italian Workbook

This workbook is a little confusing at times but if you have the textbook, it is useful to help students practice and learn Italian. I like that it is specifically for the textbook "Prego" and they are by the same author... but I am not a huge fan of it. The price is pretty expensive considering this workbook isn't the best out there.

Prego An Invitation To Italian 8th Edition Workbook Answers

The best-selling first-year Italian text, Prego provides a comprehensive introduction to fundamental grammar structures within an authentic context provided by cultural readings, situational dialogues, and Italian cartoons. In the new edition, grammar presentations have been occasionally streamlined, a new preliminary vocabulary section appears in each chapter, exercises are contextualized and frequently interactive, the cultural readings are entirely new, and a new realia-based section gets ...
