SU Eliminator II Carburetor Kits from Chopper Surplus

gas is squirted when you push the tickler on the SU? As an aside, I had an old wagoneer (jeep) that wouldn't start cold unless you removed the air cleaner and sprayed a shot of starting fluid down the carb. I just kept a can in the back seat for cold starts. If you do pull the carb to do a rebuild (to fix the tickler) be sure to pull

Rivera Engineering SU Carburetor Rebuild Kits Eliminator I ...

SU Carburetor History: Back in the early 70's, Rivera got its start when Mel Magnet (The Founder of Rivera Engineering) took off SU carburetors from some British cars and did some magic to adapt them to Harleys. In 1974, Custom Chopper Magazine sponsored the "Search for King Carb" shoot-out between all the top carburetors back then to find the "King of Carbs".
