Rocket Girl The Story Of

so rocket girl: the story of mary I heard of this biography of a woman lost to history who was the critical developer of the fuel that finally got our first rocket launched into space. The idea intrigued me and brought to

mind older iterations of this phenomenon, e.g. "Anonymous was a woman" or Virginia Woolf opining that if Shakespeare had a sister, she would be found dead at the crossroads.

Rocket girl : the story of Mary Sherman Morgan, America's ...

Rocket Girl is an intriguing biography of a woman who kept many secrets, the least of which was her part in crafting the rocket-fuel recipe for the satellite Explorer 1. She had a bitter and brutal childhood, put a child up for adoption, and was unpaid for many years for the dangerous work she did in a male-dominated field.
