Thanks for the feedback - Book Summary

"Thanks for the Feedback is a potentially life-changing look at one of the toughest but most important parts of life: receiving feedback. It's a road map to less defensiveness, more self-awareness, greater learning, and richer relationships.

Thanks for the Feedback by Douglas Stone, Sheila Heen ...

feedback is the way it's given. In Thanks for the Feedback, you argue that the way one receives feedback is just as important. We think that how we receive feedback is actually more important than how feedback is given. If your goal is to empty the sink by sending the water down the drain, which is more important: How you run the faucet?
