The First Fifteen Lives of Harry August - Wikipedia

The First Fifteen Lives of Harry August is a solid 5 stars. This book is as close to sci-fi perfection as I have encountered in the last decade. It combines a very interesting concept (1 in 500,000 people live over and over again), a good mystery (for some reason the world is ending), and first rate characters (August and one other).

Books similar to The First Fifteen Lives of Harry August

The First Fifteen Lives of Harry August is one of my favorite books. The author combines a unique time travel premise done well, a philosophy on the meaning of life and a phenomenal struggle of wits. If your book group is looking to branch out of the ordinary, and most of your readers can manage time travel books, this is a novel that offers plenty of discussion material rooted solidly in current issues.
