Governess

Towards the end of the 19th century, the role of the governess started to be noticed in literature. In Charlotte Bronte's Jane Eyre, the titular character of Jane Eyre described the shackles governesses were bound by and the only freedom they could get from the societal status was marrying above them.

governess has existed as instructress to other families' children. Her role, however, never initiated such heated deliberation as it did throughout mid-Victorian England, as evidenced by Jane Eyre, a novel published by a governess named Charlotte Brontë, which inspired an exceptional amount of critique on the position of the female instructor.
