The Grip of It: A Novel: Jac Jemc: 9780374536916: Amazon ...

The Grip of It is a literary horror novel that slights the "horror" with its aim toward "literary." The novel is told in short bursts of "he said, she said" that do little to differentiate between one another stylistically to the point that the reader must continually check to see if the current narrator is the husband or the wife that is speaking in the ever-monotone present tense.
