at the 19th century origins of the gun business and the men who made it."

The Gunning of America by Pamela Haag

Pamela Haag's book *The Gunning of America: Business and the Making of American Gun Culture*, offers a meticulously researched and beautifully written corrective to this mytho-poetic view of the gun. Haag, who received a PhD in history from Yale, takes the old journalistic maxim of "follow the money" and applies it to the American gun industry.

The Gunning of America: Business and the Making of ...

The Gunning of America: Business and the Making of American Gun Culture ... Haag traces the evolution of the gun business from its fledgling emergence in the 1800s through the first decades of the twentieth century. Haag upends the quintessential image of gun ownership as foundational to being
