Military History and Museums Military History. The United States armed forces date to 1775, when America needed a defense force to protect the original 13 colonies from a British invasion. Today, there are five branches: The United States Army is the oldest (established June 14, 1775) and largest of the five branches. Soldiers are responsible for performing land-based military operations.

By the 1880s, most American Indians had been confined to reservations, often in areas of the West that appeared least desirable to white settlers. The cowboy became the symbol for the West of the late 19th century, often depicted in popular culture as a glamorous or heroic figure. The stereotype of the heroic white cowboy is far from true, however.
