The Interpreters demonstrates Aijaz Mohammed's point that the postcolonial realities of Africa cannot be put into one single narrative or framed in one simple format. Soyinka is one of those African writers who reject stereotypical representation, are aware of the diversity of post-colonialisms inherent in their own countries, and commit boldly transgressive acts against pre-established dogmas.

## **The Interpreters (novel) - Wikipedia**

Soyinka's The Interpreters is described as a "difficult book" which I agree, especially for the first part of the book. At first you are unmercilessly assaulted with a very fractured story structure, a verbose poetic narrative, deep philosophical meditations, African spiritualism and obscure allegorical symbolism, which at times becomes such a miasma it detracts from the actual book itself.
