Kingfisher is definitely less that way, but of course it's still just small bites of information. We are using Kingfisher as a guide this year (for History Oddesey level 2), but we supplement heavily with library books. I would never only use an encyclopedia and expect to get much out of it; we use it for an introduction only to each lesson.

The Kingfisher History Encyclopedia: We use the Kingfisher as part of our Story of the World History text. Many of the reviews posted have mentioned that the book is very, very brief in each of the historical eras that it presents. I would agree that it is very limited, I don't know if I would have purchased it after using it for half the year.

“Encyclopedia” is a misnomer for The Kingfisher History Encyclopedia since it is arranged in chronological rather than topical order. Beginning with pre-history, it presents a new topic for every two-page spread. While students might read it through cover-to-cover, I suspect that it will more likely be used as a reference volume as you try to correlate events and find information about ...
