Marie Kondo has been a very fascinating read. I read this book in one week and applied the principles she teaches that very same weekend (much to the dismay of my poor wife). From reading the reviews on Amazon I think there are a lot of people who have misconceptions about this book and what it's about.

Unless you've been living under a rock, you've probably heard of Marie Kondo's book "The Life Changing Magic of Tidying Up". I have to admit, when I first heard about this best-selling book, my reaction was skepticism, followed by a lot of eyerolling. I mean, how could something as simple as just tidying up be classified as "life changing"?

Credit: Rob Elliott/Getty Images. My dream was to write one book. A real, published book. For years, that was my vision of success. It took a long apprenticeship, but it happened. I sold my first book at age 25. And then, almost immediately, it became clear in my mind that — you know what? — real success is writing a bestselling book.
