The Making of an Ordinary Saint is a wonderful book about Nathan's personal experiences with the spiritual disciplines written about in his father's monumental work, Celebration of Discipline. In The Making of an Ordinary Saint, Nathan shares a brief review of each discipline, his story living out a certain discipline in the midst of an "ordinary life" (job, wife, kids, chaos, emergencies, and ...

Senato.it - The Making of an Ordinary Law

When I saw The Making of An Ordinary Saint: My Journey from Frustration to Joy with the I have read numerous books about them over the years, but I have never been quite sure what to do with them. The message that I seem to hear from the conservative side of evangelicalism with which I would align myself would suggest that spiritual disciplines can be a dangerous business if improperly understood.
