Tim McGregor's 2014 publication Spookshow features a protagonist that, like the little boy in M. Night Shyamalan's 1999 film The Sixth Sense, sees dead people. Unlike that little boy, who was born with the ability, Billie Culpepper's power seems to have come about after a recent near death

Too short a story for me so that will  
make me get the second book  
immediately!! Seriously, the story was ok  
but as it had to be short for some reason  
it meant that the characters weren't  
explored very much and it wasn't really  
that spooky.
