The following two years, the Touareg saw only minor updates, with the diesel getting a power bump to 240 in 2013. In 2014, Volkswagen added an R-Line trim to the Touareg, which built on the Lux ...

VW Touareg colours guide and prices | carwow

One of the biggest reasons for the Volkswagen Touareg's sales success is the fact it offers similar space and performance as the BMW X5, but for less money. That was the idea when it was launched in 2003, and this latest model looks to build on that philosophy. To see exactly how it measures up in terms of size and space, we've put together a comprehensive guide to the Touareg's interior ...

Volkswagen Touareg Guide

Search & read all of our Volkswagen Touareg reviews by top motoring journalists. Designed as a joint project between Volkswagen, Audi and Porsche, the large Touareg SUV shares its platform with the previous generation Audi Q7, as well as the Porsche Cayenne. The first generation went on sale locally in 2002, with the second-gen car dropping in 2010.
