Walk out, walk on : a learning journey into communities ...

"Walk out on ____" is really only used for leaving a relationship, usually leaving somebody to take care of the kid. For example "My dad walked out on my mom when I was 7 years old." I really can't think of another context where it works. level 2

Learning to Walk - Parenting

analyzing patterns, learning walks are more loosely structured. A group may be formed to complete a task. For example, when a school needed to complete a follow-up report after an accreditation visit, learning walks were used to look for evidence that the recommended practices were implemented. Meanwhile, a data team composed of administrators and
