Footnotes. All three digit K kits are for racing and offroad use only and must never be used on the highways in California. All K8000 have received Exemptions from the State of California and are "Legal" for installation and use on the highways in California.

WEBER Carburetors distributed by Redline : Nissan

Weber pioneered the use of two-stage twin barrel carburetors, with two venturis of different sizes, the smaller one for low speed running and the larger one optimised for high speed use. In the 1930s Weber began producing twin-barrel carburetors for motor racing where two barrels of the same size were used.
