Common to virtually all Zombie Apocalypse tales is that, regardless of the reason zombies attack living/non-infected people, they never attack other zombies. Whether they'll attack animals other than humans varies, but it's rare for The Virus to affect other species, probably because it's cheaper and easier to film humans in make-up than to work with animals, whether trained, animatronic, or CGI.

Comment by 255102 In the first area there is Exactly 85 Zombies and they do not respawn intill you kill them, also to add to that, you will not see any respawns intill 30secs, so you have 30sec to kill 15 zombies and from my testing even if u have all 5 party members spilt into the sections, 15 zombies do not spawn in time for you to kill them. Thus this brings me to the conclusion that it can ...
